

Contact lenses are available to order on Costco's Web Site (www.costco.com). Instructions for ordering contacts are provided below.

1. Visit the Costco.com website and select **Sign In / Register**. Members that have not ordered from Costco.com before, will need to **Create an Account**. To reset a password select **Forgot Password**.

2. After signing in, select **Optical** from the main menu at the top of the page.

3. From the Optical Homepage, select **Shop Now**.

4. Select **Brands** from the menu bar and the product brand prescribed from the drop down menu.

- After selecting the prescribed brand, select the contact lens modality prescribed by clicking on the box that matches the prescription. Make sure to select the appropriate lens type by reviewing the lens descriptions below the pictures of the product boxes. Several products have the same packaging so it's important the correct product is selected.
